**Nonresponsive**

Let's definitely talk. I'm responding to the mine breach this morning (we are down 2 CICs who are responding), but should be free(er) after 10:30 AM (PT).

Jared is traveling to Nevada tonight and then to Navajo Nation to deal with the Gold King mine issue. I

Doubt he'll be reachable. If you feel the need to elevate prior to Thursday, John Lyons is the likely best contact.
